Murderer Arrested In Baxter Springs.

Garland Moore, a young man who has been clerking at the Hotel Baxter, was arrested last Saturday afternoon by J. Fitzpatrick, a special officer of the Missouri Pacific Railway Company, on a warrant charging him with the stealing of a trunk from the Missouri Pacific depot in Coffeyville.

Moore is only about nineteen years of age, but seems to be very old in the annals of crime. He is also wanted in Greene county, Mo., it has since been learned, for the murder of a young woman there. He was tried in the Greene county circuit court last fall and convicted. The case appealed to the supreme court, his uncle becoming the surety. He jumped his bond, and when arrested here he merely remarked, "Well, I have been expecting it."

It is very likely he will be turned over to the Missouri authorities. We understand the trunk he stole from the depot in Coffeyville cost the railroad company six hundred dollars, as it contained goods of great value.

Moore was taken away from here in irons, the officer not desiring to take any chances.

Card of Thanks.

Henry Horton desires us to express his thanks to the Pythian sisters of Globe, Arizona, and also to Mrs. L. E. Shaw and Mrs. Battz, who took such an interest in and cared for the children until he arrived there. He also desires us to state that the murder of Mrs. Enright and her sister was simply the deed of a man crazed from the use of whiskey, and that there is no blame attached to anybody but the murderer, Enright, himself. Mr. Horton was appointed guardian of the children and brought them home with him. The murdered women were well thought of and highly respected in Baxter Springs, and they were also highly respected in Globe.

The Pythian sisters took charge of the bodies of the murdered women and looked after the funeral. The two bodies were buried side by side. Mr. Horton says the people of Globe did all that could be done, and he and his family sincerely appreciate their efforts.

JAMES BABB DEAD.

J. C. Babb, ex-sheriff of this county, is dead. He went to San Antonio, Texas, a few weeks ago for the benefit of his health, but his health did not improve, and he started back to his home in Columbus. On the way home, however, on the train, he was stricken and died very suddenly. The remains were taken on to Columbus, where funeral services were held and interment made Tuesday.

Mr. Babb is survived by a wife and four children, Claude, Harry, Grover and Mable.

Jim Babb was one of the best known men in the county, and he was one of the most highly respected. He served the county once as sheriff and made a good officer. For the last two years he has been running a hotel in Columbus.

Mr. and Mrs. C. C. Sparlin of Springvalley township visited in Parsons recently, the guest of their daughter, Mrs. Hooper. They returned home by way of Cherokee and stopped a few days with the family of Thos. Lesabee, editor of the Cherokee Sentinel, old friends and neighbors of Mr. and Mrs. Sparlin.

The Kroeger Piano

was used by Blind Boone at his concert in the Library Theatre last Saturday night. Blind Boone and his manager were both loud in their praise of the Kroeger.

Read what Leopold Godowsky, the world-renowned pianist and composer says about the "Kroeger" and remember that Godowsky is rated as the greatest piano teacher living to-day.

Kroeger Piano Co, New York.

Dear Sirs:—On my numerous professional tours of the United States I had occasion to make use of the Grand Pianos of nearly all the most reputed makers in the country.

On my approaching tour I have selected your magnificent instrument in preference to all others with which I am acquainted. Its grandeur of tone, endless resources, and pliant sympathetic touch have so endeared it to me that I take special pride in the reflection that upon your Pianos I shall make my farewells to the American public. Its noble character enables me to render my work more acceptably than with any other Piano, and the name Kroeger will ever remain with me on my return to Europe a dear and treasured possession.

Wishing you all the success that your Pianos should bring to you, I am,
Respectfully yours,

LEOPOLD GODOWSKY.

There has been between 50,000 and 60,000 Kroeger Pianos sold to date and every one is giving perfect satisfaction to everybody but competitors. You can put it down that when anyone tells you that the Kroeger is not an absolutely

First-Class High Grade Piano in Every Respect

they are either ignorant of what it takes to constitute a good Piano or they are paid by competitors to knock the Kroeger. If you will watch this space for the next month we will show you what people that do know say about the Kroeger. Let us send you our free trial, easy payment proposition. It will save you money.

Yours very truly,

J. W. Grantham.
